DONATIONS AND COMMUNICATIONS CAMPAIGN BUILDING UPDATE

ਵਾਹਿਗੁਰੂਜੀਕਾਖਾਲਸਾਵਾਹਿਗੁਰੂਜੀਕੀਫਤਹਿ

Vaheguru Ji Ka Khalsa Vaheguru Ji Ki Fateh

As we continue our journey of growth and expansion, we are truly grateful for the support we've received from our community up until now. With Mahraj's Kirpa, we have already raised over \$2,500 donations for our Donations and Communications Campaign! We are truly humbled by the generosity of everyone who has contributed so far.

As we shared in our previous post, Gurprasad Vidyala is in the process of transforming our current space into a 2-story, 3500 sqft Gurmat education facility located just:

- 5 minutes from Dashmesh Culture Centre
- 2 minutes from Prairie Winds Park
- 2 minutes from McKnight/Westwinds Station
- 15 minutes from RedStone
- Directly across an 8 acre city-field

This new facility will include:

- **3 Hybrid Classrooms:** State of the art modern classrooms designed to accommodate both in-person and virtual learning.
- **1 Conference Room:** For community meetings, equipped for both in-person and virtual meetings.
- **1 Darbar/Multipurpose Room:** For future GV Darbars, sangat programs, and classes such as Gatka, Kiddie Sangat.
- **Bhai Vir Singh Library:** A collaborative library that will house books, and resources to support gurmat and academic curriculum and programs. It will also host workshops and academic tutoring programs.

Each of these spaces will be equipped with state of the art educational technology, including:

- Projectors, Smartboards, Whiteboards, Built-In Speakers
- iPads, Desktops, and other modern learning tools

While we've made wonderful progress so far, there is still much to be done. We strongly encourage families to consider joining our **Monthly Donation Program** to ensure the continued success and growth of Gurprasad Vidyalā.

☀ **Monthly Sponsorship:** Join us by committing to a monthly donation of any desired amount. We are seeking **50 families** who can contribute \$100/month, but no amount is too small!

☀ **One-Time Contribution:** We also welcome **one-time** contributions of any amount, which will go directly toward completing the building renovations and purchasing educational resources.

This renovation will create a modern and vibrant learning space where our children and youth can thrive both spiritually and academically. With your support, we will complete the construction and fully furnish the classrooms, ensuring that every student has access to the resources needed for a top-quality education.

With sincere appreciation,

Gurprasad Vidyalā Sevadaars
